

tampa bay baby
a guide for prenatal to pre-k

The years from 0-5 are the most important developmental years for a child, so they deserve their own local magazine to help parents find the best resources for raising a happy and a healthy baby.

To share your business, service, product, expertise, group or website with parents who are expecting, or have children from birth to five years old, reserve your space in Tampa Bay Baby.

THE MAGAZINE WILL PRINT AND DISTRIBUTE TWICE A YEAR.
